## Corporate Retreats, Family Gatherings, Weddings, Church Groups...

Located between Leavenworth and Lake Wenatchee, Washington Mountain Springs Lodge & Conference Center is a first-class destination resort, first homesteaded by W.W. Burgess in 1895.

Three generations later, the Newell Family has developed this special place where guests come to unwind, relax and rejuvenate from the rigors of today's all too busy lifestyle.

Year-round activities include golfing, canoe/kayaking, rafting/float trips, shopping in the Bavarian Village of Leavenworth, and onsite snowmobile tours, sleigh ride, horeback rides, Western BBQ's, lawn games - and hot tubs for soaking and rocking chairs for snoozing.
